Your insurance has been designed to provide financial help for you when a covered loss occurs. Your employer has chosen benefits provided by a Group Policy issued by Us, Principal Life Insurance Company. To the extent that benefits are provided by that Group Policy, the administration and payment of claims will be done by Us as an insurer.

The provisions of the Group Policy determine Members' rights and benefits. This booklet briefly describes those rights and benefits. It outlines what you must do to be insured. It explains how to file claims. It is your certificate while you are insured.

The effective date of your insurance is as shown on your enrollment form. You should keep your enrollment form, any change of beneficiary or change of name forms, or other similar forms with your booklet after the form has been recorded by Us and returned to you.

NOTE: If this insurance replaces prior group life insurance provided through the Policyholder, the beneficiary named under the prior group life insurance and recorded by the Policyholder will be the beneficiary under the Group Policy unless you have named a new beneficiary. If you wish to change your beneficiary designation, you must complete a new beneficiary designation form - see the Policyholder for the necessary form.

THIS BOOKLET REPLACES ANY PRIOR BOOKLET THAT YOU MAY HAVE RECEIVED. If you have any questions about this new booklet, please contact your employer. In the event of future changes to your insurance, you will be provided with a new booklet-certificate or a booklet-certificate rider.

If you have an electronic booklet, paper copies of this booklet-certificate are also available. Please contact your employer if you would like to request a paper copy.

PLEASE READ YOUR BOOKLET CAREFULLY. We suggest that you start with a review of the terms listed in the DEFINITIONS Section (at the back of the booklet). The meanings of these terms will help you understand the insurance.

This booklet describes all the benefits available under the Group Policy underwritten by Us. However, if you have elected to not accept any available benefits, those benefits described in this booklet will not apply to you.

The group insurance policy and your insurance under the Group Policy may be discontinued or altered by the Policyholder or Us at any time without your consent.

We reserve complete discretion to construe or interpret the provisions of this group insurance, to determine eligibility for benefits, and to determine the type and extent of benefits, if any, to be provided.

ACCELERATED BENEFITS - Benefits paid as shown in this booklet-certificate for Accelerated Benefits are an advance of a portion of your Life Insurance benefit. This provision:

- accelerates and reduces your benefit;
- is not intended to be used as long-term care insurance.

Effect on Government Benefits. If you receive payment of Accelerated Benefits, you may lose your right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others.

Tax Consequences. Receiving Accelerated Benefits from the Group Policy may have tax consequences for you. We cannot give you advice about this. You may wish to obtain advice from a tax professional or an attorney before you decide to receive Accelerated Benefits from the Group Policy.

The insurance provided in this booklet is subject to the laws of the state of SOUTH CAROLINA.

**MEMBER LIFE INSURANCE**

If you die, your beneficiary will be paid the Scheduled Benefit then in force for you (however, see the exception noted below). The Scheduled Benefit is based on your class:

<b>Class</b>	<b>*Scheduled Benefit</b>

Age 70 and Over	50%

## **HOW TO BE INSURED - MEMBERS**

### **MEMBER LIFE INSURANCE MEMBER ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE**

#### **Eligibility**

To be eligible for insurance you must be a Member.

You will be eligible on the first of the Insurance Month coinciding with or next following the date you complete 90 consecutive days of continuous Active Work.

In no circumstance will you be eligible for Member Life Insurance under the Group Policy if you are eligible under any other Group Term Life Insurance policy underwritten by Us.

#### **Effective Dates - Actively at Work**

If you are not Actively at Work on the date your insurance would otherwise be effective, your insurance will not be in force until the day you return to Active Work.

This Actively at Work requirement will be waived for you if:

- you are absent from Active Work because of a regularly scheduled day off, holiday, or vacation day; and
- you were Actively at Work on your last scheduled work day before the date of your absence; and
- you were capable of Active Work on the day before the scheduled effective date of your insurance or change in your insurance, whichever is applicable.

This Actively at Work requirement may also be waived as described below.

When insurance under the Group Policy replaces coverage under a Prior Policy, the Active Work requirement may be waived for those Members who:

- are eligible and enrolled under the Group Policy on the date the Group Policy is effective; and
- were covered under the Prior Policy on the date of its termination.

In no event will the Active Work requirement be waived for those Members who, on the date of termination of the Prior Policy, either:

- had the option, under the terms of the Prior Policy, to convert their coverage under the Prior Policy to an individual policy; or
- were eligible under the terms of the Prior Policy to have their premiums waived due to Total Disability.

NOTE: When insurance under the Group Policy replaces coverage under a Prior Policy and the Active Work requirement is waived, any benefits payable will be the lesser of the Scheduled Benefit of the Group Policy or the amount that would have been paid by the Prior Policy had it remained in force.

#### **Individual Incontestability**

All statements made by any insured person (you or one of your Dependents) will be representations and not warranties. In the absence of fraud, these statements may not be used to contest the insured person's insurance unless:

- the insurance has been in force for less than two years during the insured person's lifetime; and
- the statement is in Written form Signed by the insured person; and
- a copy of the form, which contains the statement, is given to the insured person or the insured person's beneficiary at the time insurance is contested.

However, if a person's age or sex is misstated, We may, at any time, adjust premiums and benefits to reflect the correct age or sex.

### **Assignments**

Only assignments of Member Life Insurance will be allowed under the Group Policy and only if:

- they are not collateral assignments or assignments for consideration; and
- they are in Written form and recorded at Our home office in Des Moines, Iowa.

We will assume no responsibility for the validity or effect of any assignment.

### **Proof of Good Health**

In some instances, Proof of Good Health will be required to place your insurance in force. We will determine the type and form of required proof. You will need to file Proof of Good Health:

- If you request insurance more than 31 days after the date you are eligible including any insurance you refuse and later request.
- If you request insurance under the Group Policy and you were eligible under the Prior Policy, but elected to waive coverage under the Prior Policy.
- If you have failed to provide required Proof of Good Health or you have been refused insurance under the Group Policy at any prior time.
- If you elect to terminate insurance and, more than 31 days later, you request to be insured again.
- If, on the date you are eligible, fewer than five Members are insured.
- If, on the date you are eligible for any increased or additional Scheduled Benefit amount, fewer than five Members are insured.
- To make effective any Scheduled Benefits amounts for you that are, initially or through later increases, in excess of:

  - \$400,000 if you are age 65 or over but under age 70; and
  - \*\$400,000 if you are age 70 or over.

\*If you are insured on the date the Group Policy is effective and this insurance replaces insurance in force on the day immediately before the effective date of the Group Policy: the lesser of the amount shown above or the amount for which you were insured under the replaced insurance.

### **Effective Date for Initial Insurance (Proof of Good Health Not Required)**

However, if you are not Actively at Work on the date insurance would otherwise be effective, your insurance will not be in force until the day you return to Active Work.

#### **Effective Date for Initial Insurance (Proof of Good Health Required)**

However, if you are not Actively at Work on the date the Scheduled Benefit change would otherwise be effective, the Scheduled Benefit change will not be in force until the day you return to Active Work. A change in your Scheduled Benefit amount because of a change in the Schedule of Insurance (as described on GH 109) by amendment to the Group Policy for which Proof of Good Health is not required (see above) will be effective on the date of change. However, if you are not Actively at Work on the date an increase in the Scheduled Benefit would otherwise be effective, the Scheduled Benefit in force will continue to apply to you until the day you return to Active Work. When you return to Active Work, the Scheduled Benefit increase will then be in force for you. Exception: Any decrease in Scheduled Benefit amounts due to a change by amendment to the Group Policy will be effective on the date of change, whether or not you are Actively at Work.

#### **Effective Date for Benefit Changes Due to a Change in the Member's Family Status**

You may request an increase in Scheduled Benefits, a decrease in Scheduled Benefits, or the addition of Scheduled Benefits for which you were not previously insured if a change in your family status as described below has occurred, provided a request for such increase, decrease, or addition is made in Writing within 31 days after the date of the change in family status:

A change in the Scheduled Benefits because of a request by you when a change in family status has occurred for which Proof of Good Health is not required (see above) will normally be effective on the first of the Insurance Month coinciding with or next following the date of the request. However, if you are not Actively at Work on the date the Scheduled Benefit change would otherwise be effective, the Scheduled Benefit change will not be in force until the day you return to Active Work. - any date desired, if requested by you before that date; or
- the date you cease to be a Member; or
- the date you cease to belong to a class for which insurance is provided; or
- the date you retire; or
- the date you cease Active Work.

### **Termination for Fraud**

We may at any time terminate a person's eligibility under the Group Policy:

- in Writing and with 31-day notice, if the individual submits any claim that contains false or fraudulent elements under state or federal law; or
- in Writing and with 31-day notice, upon finding in a civil or criminal case that an individual has submitted claims that contain false or fraudulent elements under state or federal law; or
- in Writing and with 31-day notice, when an individual has submitted a claim, which, in good faith judgement and investigation, an individual knew or should have known, contains false or fraudulent elements under state or federal law.

## **Insurance While Outside of the United States**

If you or a Dependent are temporarily outside the United States, you or your Dependent may choose to continue insurance, subject to premium payment for a period of six months or less for one of the following reasons:

- travel; or
- a business assignment; or
- full-time student status, provided you or your Dependent are either:
  - enrolled and attending an accredited school in a foreign country; or
  - participating in an academic program in a foreign country, for which the institution of higher learning at which you or your Dependent are enrolled in the U.S. grants academic credit;

The six-month period will not be reduced for any time covered under a Prior Policy.

If you or your Dependent are outside the United States for any other reason than those listed above, insurance for the person concerned will automatically terminate.

## **Continuation**

If you cease Active Work because of sickness or injury, you may be eligible for limited continuation of insurance.

If you cease Active Work because of layoff or leave of absence, insurance may be continued on a limited basis.

Your insurance may also be continued under the continuation provisions described on GH 118 and GH 118 A and subject to the provisions of the Group Policy.

If you are interested in continuing your insurance beyond the date it would normally terminate, you should consult with the Policyholder before your insurance terminates.

## **HOW TO BE INSURED - DEPENDENTS**

### **DEPENDENT LIFE INSURANCE**

#### **Eligibility**

You will be eligible for insurance for your Dependents on the latest of:

- the date you are eligible for Member Life Insurance; or
- the date you first acquire a Dependent; or
- the date you enter a class for which Dependent Life Insurance is provided.

If your Dependent is employed and is covered under group term life coverage or coverages provided by your Dependent's employer, the date such coverage is terminated because your Dependent is no longer eligible under his/her employer's coverage will be considered the date you first acquire that Dependent (and any other Dependent who was also covered under such group coverage or coverages).

#### **Effective Date**

Dependent Life Insurance is available only with respect to Dependents of Members currently insured for Member Life Insurance. If a Member is eligible for Dependent Life Insurance, such insurance will be in force under the same terms as described earlier for Member insurance, except:

- In no event will Dependent Life Insurance be in force if you are not insured for Member Life Insurance.
- If a Dependent spouse is in a Period of Limited Activity on the date initial Dependent Life Insurance or an increase in Dependent Life Insurance Scheduled Benefit due to a change in your Annual Compensation or insurance class would otherwise be effective, the Dependent spouse will not be insured or an increase will not be effective until the Period of Limited Activity ends.

However, this Period of Limited Activity requirement may be waived as described below.

When insurance under the Group Policy replaces coverage under a Prior Policy, the Period of Limited Activity requirement may be waived for those Dependent spouses' who:

- are eligible and enrolled under the Group Policy on the date the Group Policy is effective; and
- were covered under the Prior Policy on the date of its termination.

In no event will the Period of Limited Activity requirement be waived for those Dependent spouses' who, on the date of termination of the Prior Policy had the option, under the terms of the Prior Policy, to convert their coverage, under the Prior Policy, to an individual policy.

NOTE: When insurance under the Group Policy replaces coverage under a Prior Policy and the Period of Limited activity requirement is waived any benefits payable will be the lesser of the Scheduled Benefit of the Group Policy or the amount that would have been paid by the Prior Policy had it remained in force.

- If you request insurance for a Dependent spouse under the Group Policy and the Dependent spouse was eligible under the Prior Policy, but elected to waive coverage under the Prior Policy.
- If a Dependent is confined in a Hospital or Skilled Nursing Facility on the date an increase in Dependent Life Insurance Scheduled Benefits would otherwise be effective, the Scheduled Benefit in force for the

Dependent will continue to apply to the Dependent until such confinement ends. When the Hospital or Skilled Nursing Facility confinement ends, the Scheduled Benefit increase will then be in force for the Dependent.

- Any required Proof of Good Health will be with respect to the health of your Dependents.
- If Dependent Life Insurance is then in force for any other Dependent, a new Dependent (other than a newborn child) will be insured on the date acquired, provided the new Dependent is not then confined in a Hospital or Skilled Nursing Facility. Requests for insurance and Proof of Good Health are not required provided We have been notified of the new Dependent within 31 days after the date the Dependent is acquired.
- If Dependent Life Insurance is then in force for any other Dependent, a newly born child will be insured on the date the child is 0 days old, provided the child meets the definition of a Dependent Child.

### **Individual Incontestability**

Your Dependents will be subject to the Individual Incontestability as described earlier for Member insurance.

### **Termination**

Insurance for all of your Dependents will terminate on the earliest of:

- the date your Member Life Insurance ceases; or
- the date Dependent Life Insurance is removed from the Group Policy; or
- the date the last premium is paid for your Dependent's insurance; or
- any date desired, if requested by you before that date; or
- the date you cease to belong to a class for which Dependent insurance is provided.

Insurance for any one Dependent will terminate on the date he or she ceases to be your Dependent.

However, insurance will be continued beyond the maximum age for a Dependent Child who is incapable of self-support because of a Developmental Disability or Physical Handicap and is dependent on you for primary support. You must apply for this continuation within 31 days after the child reaches the maximum age.

### **Termination for Fraud**

Your Dependents will be subject to the Termination for Fraud provisions as described earlier for Member insurance.

### **Insurance While Outside of the United States**

Your Dependents will be subject to the Insurance While Outside of the United States provisions as described earlier for Member insurance.

### **Continuation**

Your Dependent's insurance may also be continued as described under the continuation provisions described on GH 118 and GH 118 A and subject to the provisions of the Group Policy.

## CONTINUATION

### **Federal Family and Medical Leave Act (FMLA)**

Federal law requires that Eligible Employees be provided a continuation period in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA).

This is a general summary of the FMLA and how it affects the Group Policy. See your employer for details on this continuation provision.

### **FMLA and Other Continuation Provisions**

If your employer is an Eligible Employer and if the continuation portion of the FMLA applies to your insurance, these FMLA continuation provisions:

- are in addition to any other continuation provisions of the Group Policy, if any; and
- will run concurrently with any other continuation provisions of the Group Policy for sickness, injury, layoff, or approved leave of absence, if any.

If continuation qualifies for both state and FMLA continuation, the continuation period will be counted concurrently toward satisfaction of the continuation period under both the state and FMLA continuation periods.

### **Eligible Employer**

Eligible Employer means any employer who is engaged in commerce or in any industry or activity affecting commerce who employs 50 or more employees for each working day during each of 20 or more calendar workweeks in the current or preceding calendar year.

### **Eligible Employee**

Eligible Employee means an employee who has worked for the Eligible Employer:

- for at least 12 months; and
- for at least 1,250 hours (approximately 24 hours per week) during the year preceding the start of the leave; and
- at a work-site where the Eligible Employer employs at least 50 employees within a 75-mile radius.

For this purpose, "employs" has the meaning provided by the Federal Family and Medical Leave Act (FMLA).

### **Mandated Unpaid Leave**

Eligible Employers are required to allow 12 workweeks of unpaid leave during any 12-month period to Eligible Employees for one or more of the following reasons:

- the birth of a child of an Eligible Employee and in order to care for the child;
- the placement of a child with the Eligible Employee for adoption or foster care;
- to care (physical or psychological care) for the spouse, child, or parent of the Eligible Employee, if they have a "serious health condition";

- a "serious health condition" that makes the Eligible Employee unable to perform the functions of his or her job; or
- because of a "qualifying exigency" arising out of a spouse, son, daughter or parent on active duty or having been notified of a call to active duty.

Eligible Employers are required to allow up to a total of 26 workweeks of unpaid leave during any 12 month period to eligible employees to care for a "covered service member" with a "serious injury or illness".

### **Reinstatement**

An Eligible Employee's terminated insurance may be reinstated in accordance with the provisions of the Federal Family and Medical Leave Act (FMLA), subject to the Actively at Work and Period of Limited Activity requirements of the Group Policy.

### **Reinstatement of Insurance for you or your Dependent When Insurance Ends due to Living Outside of the United States**

If insurance for you or your Dependent terminates because you or your Dependent are outside of the United States you or your Dependent may become eligible again for insurance under the Group Policy, but only if:

- you or your Dependent return to the United States within six months of the date on which insurance terminated because the person is outside of the United States; and
- in your case, you return to Active Work in the United States for the Policyholder for a period of at least 30 consecutive days. You will be eligible for insurance on the day immediately following completion of the 30 consecutive days of Active Work; and
- in the case of your Dependent, he or she remains in the United States for 30 consecutive days. If your Dependent does so, he or she will be eligible for reinstatement of insurance on the day after completion of the 30 consecutive days of residence.

The reinstated insurance will be on the same basis as that being provided on the date insurance is reinstated. However, any restrictions on this insurance, which were in effect before reinstatement, will continue to apply. If you or your Dependent do not complete the 30 consecutive days of residence, the insurance for such person concerned will not be reinstated.

See your employer for details on this reinstatement provision.

## **CONTINUATION OF INSURANCE**

### **Member (State Required - South Carolina)**

If you cease Active Work because you are Totally Disabled, you may continue your Life Insurance until the earlier of:

- the date nine months after your Total Disability began; or
- the date the Group Policy terminates.

## **DESCRIPTION OF BENEFITS**

### **MEMBER LIFE INSURANCE**

#### **Death Benefit**

If you die while insured for Member Life Insurance, We will pay your beneficiary the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death, less any unpaid premium and less any Accelerated Benefit payment as discussed later in this section. If your beneficiary does not survive you, We will make your payment in the following order of precedence:

- to your spouse;
- to your children born to or legally adopted by you;
- to your parents;
- to your brothers and sisters;
- if none of the above, to the executor or administrator of your estate or other persons as provided in the Group Policy.

However, if a beneficiary is suspected or charged with your death, the Death Benefit may be withheld until additional information has been received or the trial has been held. If a beneficiary is found guilty of your death, such beneficiary may be disqualified from receiving any benefit due. Payment may then be made to any contingent beneficiary or to the executor or administrator of your estate.

Settlement of a death claim will be made after Written proof of death has been received by Us. If settlement is not made within 30 days after Written proof has been received, interest will be payable from the date of your death until the settlement date. The interest rate will be determined by Us but not less than that which is payable on deposits with Us.

Upon your death, the Scheduled Benefit (or approved amount, if applicable) in force on the date of your death, less any unpaid premium and less any Accelerated Benefit payment as discussed later in this section will be placed in an interest-bearing draft account at an interest rate determined by Us, unless a lump sum or other settlement option has been elected. With the interest-bearing draft account, the balance will be available to your beneficiary at any time, in total or in part, as provided in the Group Policy.

See your employer if you would like more information on the Interest Draft Account or on any of the other settlement options that are available to your beneficiary upon your death.

In the event the Interest Draft Account is not available or otherwise does not apply, We reserve the right to make payment of proceeds according to other settlement options if agreed to, in Writing, by Us.

#### **Beneficiary**

You should name a beneficiary at the time you enroll for insurance. You may name or later change your beneficiary by sending a Written request to Us. See the Policyholder for change request forms. A change in your beneficiary will not be in force until We record(s) the change. Once recorded, the change will apply as of the date the request was Signed. If We properly pay any benefit before a change request is received, that payment may not be contested

#### **Continuation (Member Life Insurance - Coverage During Disability)**

If you cease Active Work for any reason, your insurance will normally terminate. However, if you cease Active Work because you are Totally Disabled, you might qualify to continue your Member Life and Member Accidental Death and

Dismemberment Insurance and Dependent Life Insurance. This continuation is called Coverage During Disability.

To be qualified for Coverage During Disability, you must:

- become Totally Disabled while insured for Member Life Insurance; and
- become Totally Disabled before the earlier of retirement or attainment of age 60; and
- remain Totally Disabled continuously; and
- be under the regular care and attendance of a Physician; and
- send proof of Total Disability to Us within one year of the date Total Disability starts and as often thereafter as We may require; and
- return, without claim, any individual policy issued under your purchase rights as described below. Upon return of such policy, We will refund premiums paid, less dividends and less any outstanding policy loan balance; and
- submit to examinations by a Physician or evaluations by an evaluator when We require (We will pay for these examinations and will choose the Physician).

We may require that a Totally Disabled Member be examined by a Physician, or undergo an evaluation, at reasonable intervals, during the course of a claim. After your Total Disability has continued two years from the date first proof of Total Disability is received, examinations or evaluations may not be required more than once each year.

We will pay for these examinations and evaluations and will choose the Physician or evaluator to perform them. Failure to attend a medical examination or cooperate with the Physician may be cause for denial of your benefits. Failure to attend an evaluation or to cooperate with the evaluator may also be cause for denial of your benefits. If you fail to attend an examination or an evaluation, any charges incurred for not attending an appointment as scheduled may be your responsibility.

If you qualify, Coverage During Disability will be in force on the earlier of:

- the day nine months after the date your Total Disability began; or
- the date of your death.

Premium will not be charged for Member Life and Member Accidental Death and Dismemberment Insurance and Dependent Life Insurance while your Coverage During Disability is in force.

Coverage During Disability will cease on the earliest of:

- the date your Total Disability ends; or
- the date you fail to send Us any required proof of Total Disability; or
- the date you cease to be under the regular care and attendance of a Physician; or
- the date you fail to submit to a required Physician's examination or evaluation by an evaluator; or
- the date your coverage has been continued for 2 years.

If you die while Coverage During Disability is in force, We will pay your beneficiary the Member Life Insurance benefit, if any, that would have been paid had you remained insured under the Schedule of Insurance in force on the date your Total Disability began. Member Life Insurance benefits are subject to all reductions provided in the Group Policy

including reductions due to salary changes, age changes, and receipt of Accelerated Benefit payment.

Note that Coverage During Disability will not be in force and NO BENEFIT WILL BE PAID if Written proof of Total Disability is not sent to Us within ONE YEAR of the date Total Disability starts. However, failure to give Written proof within the time specified will not invalidate or reduce any claim if Written proof is given as soon as reasonably possible.

No benefits will be paid for any disability that:

- results from willful self-injury or self-destruction, while sane or insane; or
- results from war or act of war; or
- results from voluntary participation in an assault, felony, criminal activity, insurrection, or riot.

### **Accelerated Benefit**

An Accelerated Benefit is an advance (before death) payment of a part of your Member Life Insurance benefit. To qualify for an Accelerated Benefit, you must:

- be insured for a Member Life Insurance benefit of at least \$10,000; and
- be Terminally Ill (expected to die within 12 months); and
- send a request for Accelerated Benefit payment to Us; and
- send proof, satisfactory to Us, of your Terminal Illness; and
- provide a release from the assignee, if your Member Life Insurance benefit has been assigned.

Proof of Terminal Illness will consist of a statement from your Physician, and any other medical information that We believe is needed to confirm your status.

If you qualify, We will pay you any amount you request, except that:

- only one Accelerated Benefit payment will be made during your lifetime; and
- you must request a payment of at least \$5,000; and
- we will not pay you more than the lesser of (1) 75% of your Member Life Insurance benefit; or (2) \$250,000.

We will pay you the Accelerated Benefit payment in a lump sum.

If an Accelerated Benefit is paid, the Member Life Insurance benefit otherwise payable to your beneficiary upon your death will be reduced by the sum of any Accelerated Benefit payment.

Following is an EXAMPLE of how this benefit affects the final death benefit.

BENEFIT EXAMPLE		
Member Life Insurance Benefit Amount	\$	100,000
Accelerated Benefit Amount Requested (Member would receive \$75,000)	\$	75,000
Accelerated Benefit paid on August 15		

Member death occurs on November 15 (92 days after payment)	
Payment to Member's Beneficiary (\$100,000 - \$75,000)	\$ 25,000

During the two-year period following payment of an Accelerated Benefit:

- termination of Active Work because of your Terminal Illness will not result in termination of your Member Life Insurance; and
- your Member Life Insurance and Member Accidental Death and Dismemberment Insurance and Dependent Life Insurance will be provided without premium charge.

### **Individual Purchase Rights**

You will have the right to buy an individual life insurance policy without submitting Proof of Good Health:

- If your total Member Life Insurance, or any portion of it, terminates because you end Active Work or cease to be in a class eligible for insurance. In these instances, the maximum amount you may buy will be your Member Life Insurance amount in force on the date of termination or the portion of your Member Life Insurance that has terminated, less any individual amount purchased earlier under these rights, and less any Accelerated Benefit as discussed earlier in this Section.
- If the Group Policy terminates or is amended to exclude your insurance class after you have been insured for at least five years. In these instances, the maximum amount you may buy will be the smaller of: (1) \$10,000; or (2) your Member Life Insurance amount in force on the date of termination, less any Accelerated Benefit as discussed earlier in this Section and less any amount for which you become eligible under any group policy within 31 days.
- If your Coverage During Disability ceases because Total Disability ends and you do not then become insured under the Group Policy within 31 days. In this instance, the maximum amount you may buy will be the Coverage During Disability benefit amount in force on the date Total Disability ends, less any individual amount purchased earlier under these rights, and less any Accelerated Benefit as discussed earlier in this Section.
- If your Accelerated Benefit Premium Waiver Period ceases and you do not qualify for Coverage During Disability. In this instance, the maximum amount you may buy will be the benefit amount in force on the date you cease Active Work, less any individual amount purchased earlier under these rights, and less any Accelerated Benefit as discussed earlier in this Section.

You must apply for individual purchase and pay the first premium to Us within 31 days after your coverage under the Group Policy ceases.

The Policyholder must give you notice of the individual purchase right within 15 days after your insurance under the Group Policy terminates. If notice is not given within the 15-day period, you will have an additional 15 days after the date of notice to apply for individual purchase. However, if notice is not given within 91 days after the date of termination of group insurance, the time allowed to exercise the individual purchase right will expire at the end of that 91-day period.

See the Policyholder for the proper forms. Any individual policy issued will be effective on the 32nd day.

The individual policy will be for life insurance only (other than term insurance). No Disability or other benefits will be included. The premium you pay will be at Our normal rate for your age and for the risk class to which you belong on the individual policy's date of issue.

If you die within the 31-day purchase period, your beneficiary will be paid the life insurance amount, if any, you had the right to buy. This payment will be made whether or not you have applied for an individual policy.

To qualify for benefit payment, all of the following must occur:

**DESCRIPTION OF BENEFITS**  
**DEPENDENT LIFE INSURANCE**

**Death Benefit**

If one of your Dependents dies while insured for Dependent Life Insurance, We will pay the Scheduled Benefit (or approved amount, if applicable) in force for that Dependent on the date of death.

Unless a Beneficiary has been designated, payment will be to you if you survive the Dependent. If you do not survive the Dependent and a beneficiary for Dependent Life has not been named, We will pay the beneficiary you named for Member Life Insurance. However, if you are suspected or charged with your Dependent's death, the Death Benefits may be withheld until additional information has been received or the trial has been held. If you are found guilty of the Dependent's death, you may be disqualified from receiving any benefit due. Payment may then be made to the executor or administrator of the Dependent's estate.

No payment will be made before We receive Written proof of the Dependent's death.

**Beneficiary**

You may name or later change the named beneficiary by sending a Written request to Us. A change will not be effective until recorded by Us. Once recorded, the change will apply as of the date the request was Signed. If We properly pay any benefit before a change request is received, that payment may not be contested.

**Individual Purchase Rights**

Your Dependent will have the right to buy an individual life insurance policy without submitting Proof of Good Health:

- If Dependent Life Insurance for your Dependent, or any portion of it, ceases because your Dependent ceases to qualify as a Dependent; or insurance terminates as described on GH 111, or you are divorced or separated, or because you die, end Active Work, or cease to be in a class eligible for insurance. In these instances, the maximum amount your Dependent may buy will be the amount of Dependent Life Insurance in force for the Dependent on the date of termination or the portion of Dependent Life Insurance that has terminated, less any individual amount purchased earlier under these rights.
- If the Group Policy terminates or is amended to eliminate Dependent Life Insurance or your insurance class after your Dependent has been insured for at least five years. In these instances, the maximum amount your Dependent may buy will be the smaller of: (1) \$10,000; or (2) the amount of Dependent Life Insurance in force for the Dependent on the date of termination, less any amount for which the Dependent becomes eligible under any group policy within 31 days.
- If Dependent Life Insurance for your Dependent ceases because your Coverage During Disability ceases because Total Disability ends and you do not then become insured under the Group Policy within 31 days. In this instance, the maximum amount your Dependent may buy will be the amount of Dependent Life Insurance in force for the Dependent on the date of termination, less any individual amount purchased earlier under these rights.
- If Dependent Life Insurance for your Dependent ceases because your Accelerated Benefit Premium Waiver Period ceases and you do not qualify for Coverage During Disability. In this instance, the maximum amount your Dependent may buy will be the amount of Dependent Life Insurance in force for the Dependent on the date of termination, less any individual amount purchased earlier under these rights.

Your Dependent must apply for individual purchase and pay the first premium to Us within 31 days after the date his or her insurance under the Group Policy ceases. See the Policyholder for the proper forms. Any individual policy issued will

be effective on the 32nd day.

The individual policy will be for life insurance only (other than term insurance). No Disability or other benefits will be included. The premium to be paid will be at Our normal rate for your Dependent's age and risk class on the individual policy's date of issue.

If your Dependent dies within the 31-day purchase period, We will pay the life insurance amount, if any, the Dependent had the right to buy. This payment will be made whether or not your Dependent has applied for an individual policy.

## **CLAIM PROCEDURES**

### **Notice of Claim**

Written notice of claim must be given to Us within 20 days after the date of loss. Failure to give notice within the time specified will not invalidate or reduce any claim if notice is given as soon as reasonably possible.

### **Claim Forms**

Claim forms and other information needed to prove loss must be filed with Us in order to obtain payment of benefits. The Policyholder will provide forms to assist you in filing claims. If the forms are not provided within 15 days after We receive such notice, you will be considered to have complied with the requirements of the Group Policy upon submitting, within the time specified below for filing proof of loss, Written proof covering the occurrence, character, and extent of the loss.

### **Proof of Loss**

Completed claim forms and other information needed to prove loss should be filed promptly. Written proof of loss should be sent to Us within 90 days after the date of loss. Proof required includes the date, nature, and extent of the loss. We may request additional information to substantiate your loss or require a Signed unaltered authorization to obtain that information from the provider. Your failure to comply with such request could result in declination of the claim. For purposes of satisfying the claims processing timing requirements of the Employee Retirement Income Security Act (ERISA), receipt of claim will be considered to be met when the appropriate claim form is received by Us.

### **Payment, Denial, and Review**

ERISA permits up to 45 days from receipt of claim for processing the claim. If a claim cannot be processed due to incomplete information, We will send a Written explanation prior to the expiration of the 45 days. A claimant is then allowed up to 45 days to provide all additional information requested. We are permitted two 30-day extensions for processing an incomplete claim. Written notification will be sent to a claimant regarding the extension.

In actual practice, benefits under the Group Policy will be payable sooner, provided We receive complete and proper proof of loss. Further, if a claim is not payable or cannot be processed, We will submit a detailed explanation of the basis for Our denial.

A claimant may request an appeal of a claim denial by Written request to Us within 180 days of the receipt of notice of the denial. We will make a full and fair review of the claim. We may require additional information to make the review. We will notify the claimant in Writing of the appeal decision within 45 days after receipt of the appeal request. If the appeal cannot be processed within the 45-day period because We did not receive the requested additional information, We are permitted a 45-day extension for the review. Written notification will be sent to the claimant regarding the extension. After exhaustion of the formal appeal process, the claimant may request an additional appeal. However, this appeal is voluntary and does not need to be filed before asserting rights to legal action.

For purposes of this section, "claimant" means you, your Dependent, or Beneficiary.

### **Medical Examinations**

We may have you or your Dependent, whose loss is the basis for claim, examined by a Physician during the course of a claim. We will pay for these examinations and will choose the Physician to perform them.

### **Autopsy**

If payment for loss of life is claimed, We may require an autopsy. We will pay for any such autopsy.

**Legal Action**

Legal action to recover benefits under the Group Policy may not be started earlier than 90 days after proof of loss is filed and before the appeal procedures have been exhausted. Further, no legal action may be started later than six years after that proof is required to be filed.

**Time Limits**

All time limits listed in this section will be adjusted as required by law.

## **STATEMENT OF RIGHTS**

Federal law requires that this section be included in your booklet:

As a participant in this plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA).

ERISA provides that all plan participants shall be entitled to:

### **Receive Information About Your Plan and Benefits**

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon Written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits, which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

### **Assistance with Your Questions**

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
